

THE UTTLESFORD BIG GREEN FESTIVAL

5 – 14 JUNE 2026

Join us for 10 days of events showcasing local sustainable projects that benefit people and the planet, in collaboration with Sustainable Uttlesford.

- Community climate action
- Nature recovery and biodiversity
- Sustainable living and the circular economy
- Active travel and clean energy
- Culture, ecology and imagination

From workshops, talks and debates to green fairs, exhibitions, repair cafés, family activities, cultural events, and nature walks – this is a chance to come together and spotlight the fantastic work already happening across the district.

Scan the QR code to find out more about all the exciting FREE events and how to book tickets, or go to our website:
